Erwin High School	Topic: Unit 5 – Twentieth Century Crisis, 1914 – 1945	Name
	WWI: Trench Warfare and Technology of War	Period

Learning Targets and ***Intention of the Lesson***

Students will be able to:

1. KNOW **the perils of Trench Warfare and how it weighs on the minds of the soldiers.** ***2. UNDERSTAND*** **and explain how the modern technology in weapons changed, forever, how wars will be fought. 3. Complete graphic organizers** ***(SKILL)*** **listing, describing, and illustrating the weapons of World War 1 and Trench Warfare.**

DO NOW:

1. Imagine the most uncomfortable position you could find yourself in. What would you do to escape?

-After you formulate your response discuss your answer with the people around you with the people around you.

2. You create video games and your job is to invent the ultimate weapon. Describe your creation?

-Think outside the box. What is something that the World has never seen.
