

Historiography

Historiography is the study of the methodology of historians in developing history as an academic discipline, and as a method of covering a particular subject. The historiography of a specific topic covers how historians have studied that topic using particular sources, techniques, and theoretical approaches.

1. What does it mean, "To conduct research?"
2. What is a Primary Source?
3. What is a Secondary Source?
4. What is reliability in research? Provide an example.
5. What is validity in your research? Provide an example.
6. What is a qualitative research project?
7. What is a quantitative research project?
