

## Learning Targets and Direction of Lesson

# Review for Unit 1 Exam

Learning Targets	<b>SWBAT:</b> 1. Synthesize information on Early River Valley Civilizations, Greece, the Rise and Fall of the Roman Empire, and the Development of Christianity for the purpose of preparing for the Unit 1 Exam
Teaching Sequence Suggestions	1. Complete the Visual Study Guide on Rome. 2. Complete the Study Guide for The Roman Empire 3. Review PERSIAN Chart for 2 civilizations 4. Contributions of Ancient Greece 5. Characteristics of Athens and Sparta .
Text Set Selections:	Students will be required to complete a PERSIAN Chart on 2 civilizations, know the characteristics of both, Athens and Sparta, contributions of Greece, and general knowledge of the Roman Republic and Empire
Background Concerns:	Students must allocate time outside of the class to maximize their success on the exam
Text Analysis:	By synthesizing information and linking the significance of the events or personalities, or areas students will be able to show mastery of Unit 1
