

The M&Ms
Journey
to
Revolution

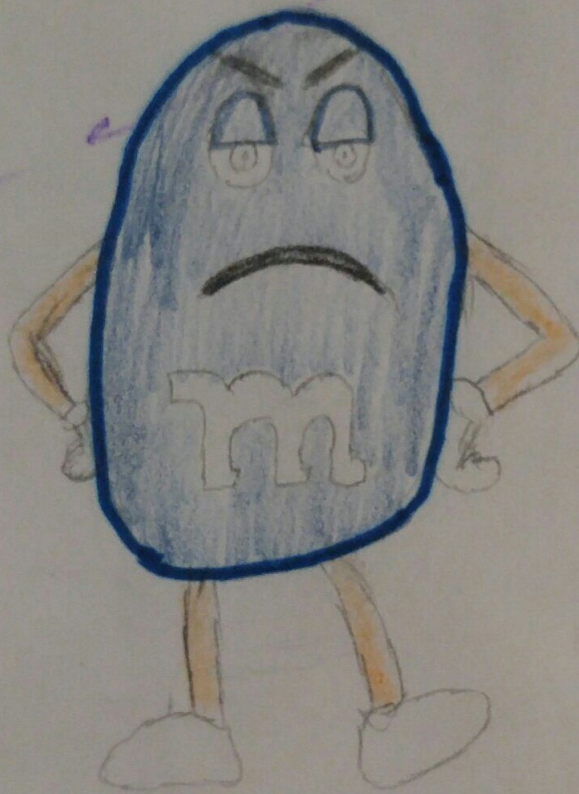

M&M's all over the world are getting eaten by giant humans.

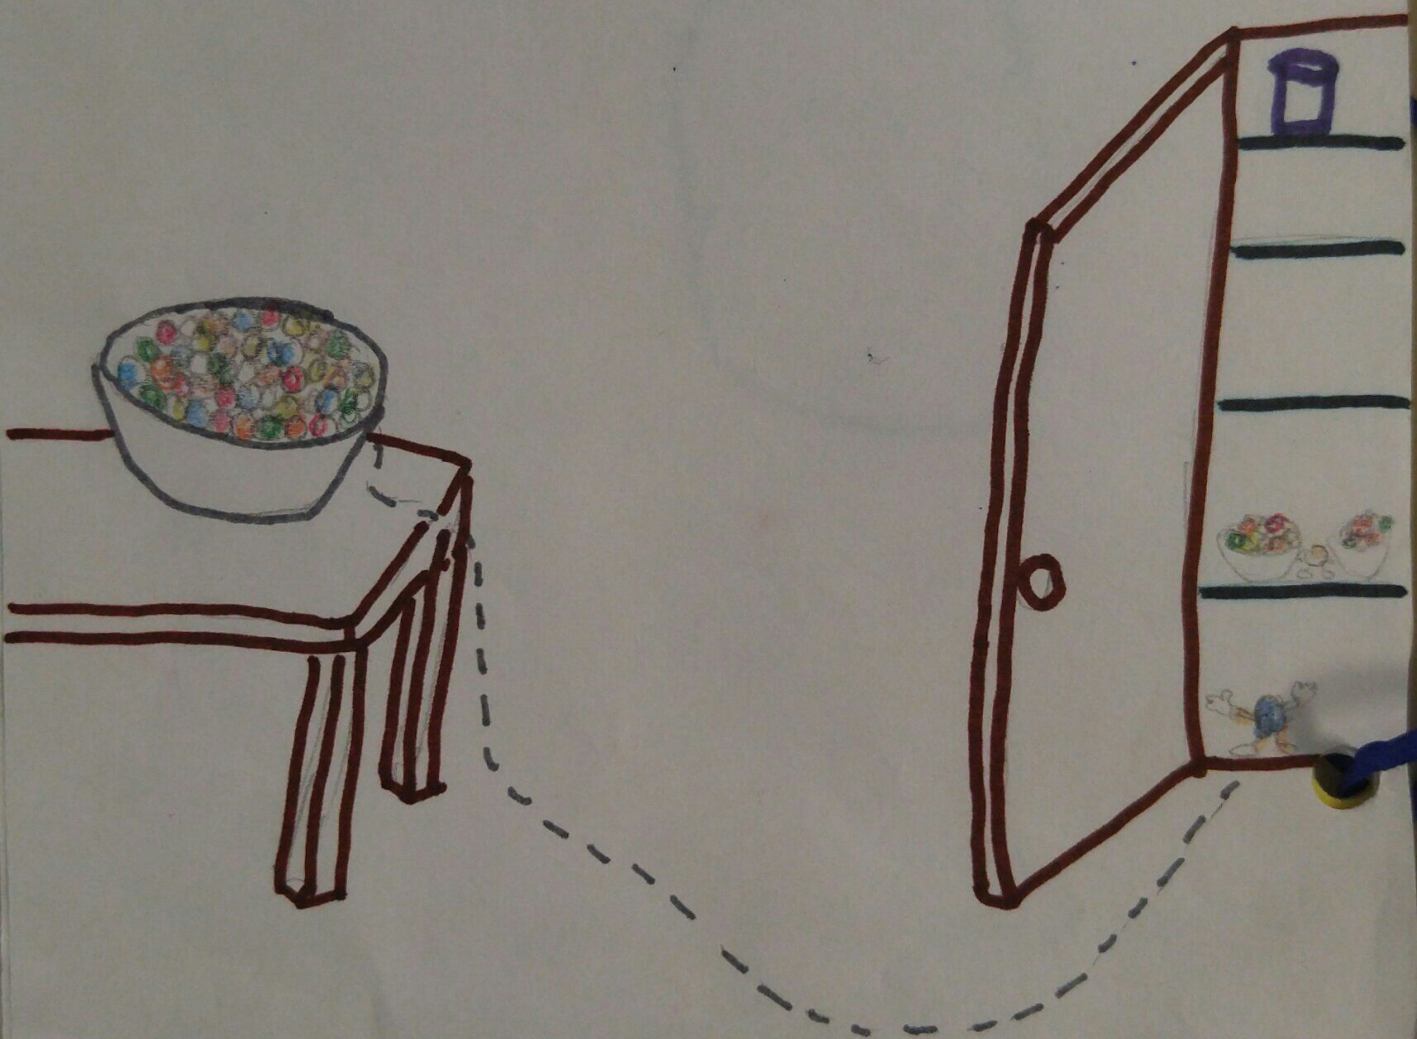

One day a blue M&M was watching
his friends and family getting eaten
by the little blond boy.

He was very angry and was tired
that everyone around him was get-
ting eaten.

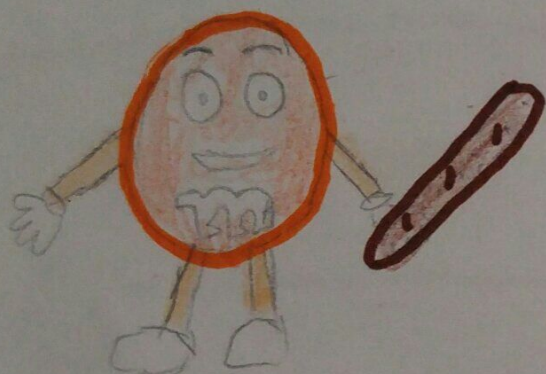

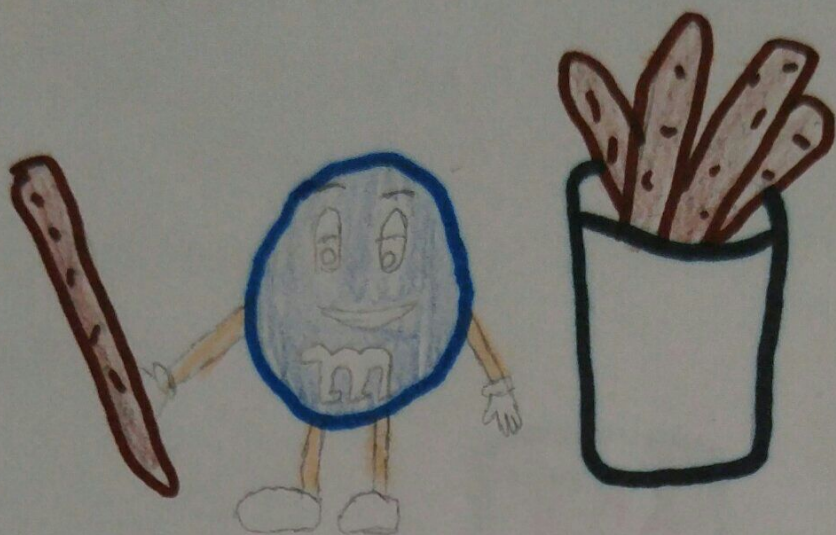

So he did something a M&M never did before, he jumped out of the bowl, ran out of the room and into the kitchen pantry where all the other M&Ms were.

As the word spread, many came together and captured skittles to sell for money.

After, all the M&Ms in every house
grabbed their pretzel swords and
fought against the humans.

There were too many M&Ms so
the humans had to surrender.

The M&Ms finally got their freedom
and lived happily ever after.

The End.
